

LUNA GREASE USG

Agriculture, Marine & Industrial Grease

LUNA GREASE USG is a heavily loaded lithium-calcium thickened grease for agricultural, marine and industrial applications where water wash is problematic. **LUNA GREASE USG** is also suitable for heavy duty vehicles working outdoor in wet and dirty conditions.

LUNA GREASE USG is based on high quality virgin mineral base oil in combination with an unique additive package to ensure the following properties:

- Excellent at high temperatures.
- Very good mechanical stability.
- Excellent adhesion to metal surfaces
- High protection against moisture and water washing

LUNA GREASE USG meets the following performance criteria:

KP2K-10 KP3K-10 L-XACHB-2/3

Typical Analysis

Properties	Unit	Method	Typical Value
NLGI Grade		ASTM D 217 mod	2/3
Thickener			Lithium - Calcium
Base oil			Mineral
Colour		Visual	Dark brown
Dropping Point	°C	IP 396	>180
Base oil viscosity at 40 °C	mm ² /s	ASTM D 7152	460
Worked penetration 60w, (mm/10)		ASTM D217	250-275
4-ball weld load	N	DIN 51350:4	2500
Water resistance at 3h/90 °C		DIN 51807:1	0
Working temperature	°C		-10 to +130
Date Issued: 10-6-2021		Supersedes: 19-04-2017	Revision Nr.: 01
